Our dispatch from New York says that on gold loans the rates have been 2 per cent. for carrying to "flat," the opening rate having been 1½ per cent. The money market continues extremely easy for borrowers, call loans being 263 per cent. Government bonds firm. State bonds at the first board were steady to strong, with considerable dealings in Missouris and small transactions in New York State, Tennessees and Virginia consols. Speculative shares opened ½% below Saturday's closing, except Union Pacific, which was 54 higher, and Western Union Telegraph, which was unchanged.

There was a decline in the general list of 548% during the first hour, but by 12:30 o'clock there was a complete recovering. Since then the market has been heavy and prices now are at the lowest.
